From the Home and School

TISSUE DRIVE

It's that sniffly time of year again, and while tissues are available in each class we are racing through them at an alarming speed. So its time for a "Tissue Drive". Next time you are at the supermarket pick up a box or two of family tissues (it doesn't need to be the fancy, 3 ply smelly ones), and drop them into the school office, by 01 July. Your support will ensure a continuous supply without burgeoning the School's operating budget.

Please remember however if your child is unwell or has cold/flu symptoms, our teachers are not nurses and it is best to keep your child at home!

1st AUGUST—Mark the date NOW! It will be too good to miss.

School are hosting an amazing night out. Pull out those old cowboy boots and checkered shirts and join us for an entertaining night. Watch this space for more info on auctions and activities.

ACCOUNTANT

Are you a registered accountant? Home and School is looking for someone to help out with their annual accounts. Their accounts are relatively straight forward with no GST component involved. If you are this special person please contact Jacqui Shearman on 364 3945.

DISPLAY BOARDS

Home and School has purchased two new, fabulous looking, screen printed display boards for our school. Keep your eye out as we will be using these at most school events to help advertise and promote our wonderful school. A huge thank you to Chris Brown for organising our new boards and to Mrs Neville for spending so much time creating our amazing new school brochures.

Cross country day at Te Horo School

Johnny from the Mini beast show, can you spot Jacob Walker!?

Home and School have also funded the exciting Mini Beast show which your children attended today. This educational presentation from Australia is being used as a resource to support term 2's unit on mini beasts. Money has also been allocated to help fund the Year 5 camp which is taking place at Palm Grove in December. Each classroom has also been allocated money to go towards individual classroom activities.

COLOURING COMPETITION

Huge congratulations to Peyton in Room 3 for coming first in our school colouring competition, and to Briar Fitzgerald for coming second. Bobbie will be in contact to present you with your scholastic prizes. We had so many fantastic entries from extremely talented children! Thank you to Mr Lovall who had the difficult job of judging.

Hockey results

SENIOR HOCKEY

Te Horo and Koputaroa were fairly evenly matched on Monday night. However, Te Horo were a bit ragged in the first half which allowed Koputaroa to score twice. In the second half, Te Horo was on the attack and allowed far fewer scoring opportunities for the opposition, mainly because of untiring defensive work from Jackson Thompson and Jack Rider. Final score: 0-2

Player of the day: Holly McPhee for being on the post and getting the rebounds

JUNIOR HOCKEY

On Saturday 6th June the Year 3/4 Te Horo Turtles played Coley Street Junior Gold team and won 3-1.

Player of the Day was Casey Rushbrook.
