RECYCLING

Our school is going green. This has started this week and **WOW** the children have been amazing. They have taken it on board with much enthusiasm. A huge thank you to Adele Neville and Amy Edwards for organising our new recycling bins and motivating all the staff and students with this important project. It is quite noticeable how clean and tidy the school is looking, because of Amy and her wonderful grounds work and the recycling.

We also need **your help** at home please. If we could encourage you to use things like sealable plastic bags for sandwiches etc, as these can be washed out and re-used, which will save us trying to dispose of glad wrap or similar. We are hoping to use this term getting used to recycling so by term four we will be natural at it. We are hoping to have a worm farm and compost bin in the very near future. Very exciting. Then we would like to involve the media to expose **TE HORO SCHOOL GOING GREEN.**

See Page 2 in the Home and School report.....

SCHOOL LUNCHES

Teachers are noticing more now that we are recycling that children are throwing food and fruit away saying they don't like what is in their lunch box. It might pay to talk to your child/ren to make sure that they have a lunch that you know they will eat.

SCHOOL BANKING

Don't forget that ASB school banking is collected each Friday so do encourage your children to save and make use of this wonderful service by the ASB Bank.

LAMB and CALF CLUB

If you wish to learn more about lamb and calf care in readiness for Lamb and Calf day please visit this website www.calfclub.co.nz

SCHOOL PHOTOGRAPHS

School photographs being taken by Phoenix School Portraits have been booked in for October 21st starting at 9:00am. Order forms will be sent home in the first week of the 4th term.

POPCORN IN LUNCHES

New World have now introduced popcorn into the school lunches at no extra cost instead of the muesli bars or strings. The children seemed pretty excited last week with this nice healthy change.

SCHOOL QUIZ NIGHT

Mark your calendars now for Saturday 17th October for the Te Horo School Year 6 Camp Fundraiser Quiz. More details to follow later in the term.

TERM 2 SHOW

There are still outstanding monies owed on the last show. A reminder will be either emailed to you or sent home with your child through this week. Thank you.

PUPPETS and DISCUSSIONS

This term we are doing a unit on puppets. As part of this we are using the big question "Do I need to speak to communicate?" as a link with our language unit on discussions. This ties in nicely with the speech competitions happening later this term. As a school we are continuing to develop our higher order thinking skills using SOLO taxonomy. As this unit will require us making a variety of puppets throughout the school, any suitable materials you have lying around home would be greatly appreciated. These can be taken to your child's class teacher.

TERM 3 SHOW

To work in with our unit on puppets, Norbett and his strings attached puppet show Rumpelstilzkin is coming to Te Horo School on Wednesday 5th August starting at 9:00am. The cost of this show is \$3 per person. If you have not paid your one off payment please send along to the School

Office, via the clown's mouth before Friday 31st July.

ART EXHIBITION

Kapiti Coast District Council is holding an art exhibition this weekend at Otaki memorial Hall. The exhibition is made up of a variety of art work submitted by local schools. The organisers have kindly offered to take Te Horo school children on free bus trips to visit the exhibition this Friday (31st July) If you would like to see your child's work on display the exhibition is open all weekend. Have fun!!

FILMING OF VIDEO HISTORY

The Kapiti Coast District Council has commissioned the filming of a video history of the area, and, as a result of the Mayor attending the school's Anzac service for the past two years, she has asked that the students and history of Te Horo School be included. Filming will commence in a

few weeks, and groups of children, such as the Choir, as well as individual children who will be acting in a variety of scenes, will be involved. We, and the film crew, need to ensure that all children appearing in the video/DVD have parent permission to do so, and parents have every right to request that their child's image not be used in a public medium such as a film or video. (While I do not think the video will be broadcast, I am sure that the intention is for it to be available to the general public.)

IF YOU DO NOT WISH YOUR CHILD TO APPEAR IN THIS PRODUCTION, PLEASE CONTACT THE OFFICE AS SOON AS POSSIBLE.

BARN DANCE
 Don't forget to get your tickets for the Barn Dance this Saturday night being held in the Community Hall, School Road starting at 7:30pm. Tickets are just \$20 each and it is going to be a night to remember. There will be line dancing and we hear that some rockers and rollers are coming. Also a 'Treat Yourself' auction will be held.

VEGETABLE PLANTS
 We would like to ask each parent if they would be so kind as to donate **1 punnet of vegetable plants** to school so Amy can plant them in the school gardens to grow in readiness for Paddy's Mart produce stall. We would love **broccoli, silverbeet, spinach, lettuces, cabbages, and cauliflower**. Also if anyone out there has the odd **bag of compost** for the gardens, that would be great.

One other thing—does anyone have a **rotary hoe** that we could borrow to get the gardens dug over quickly. Please deliver all punnets and compost to school asap, and if anyone can help out with a rotary hoe please call the School Office on 364 3071. We are so very grateful for this help and to have the veges growing here at school freshly picked for such a worth while cause would be **AMAZING!**

PADDY'S MART STORAGE
 If you have anything that you would like to bring along to school for Paddy's Mart please take it to Room 2. There will be area where it can be placed, please try to keep it all in an orderly fashion as there is still teaching going on in there.

GIFT BOXES OR BASKETS
 Instead of asking for food for a gourmet grocery hamper this year we would like donations of nice boxes or baskets for packaging, so if you have anything like this just lying around the house we would love it. Thank you.

SOME THOUGHTS:
VIRTUE-COMPASSION: Compassion is understanding and caring when someone is hurt or troubled. You forgive mistakes. You are a friend when someone needs a friend.
VIRTUE-CONSIDERATION: Consideration is being thoughtful of other people and their feelings. You pay careful attention to what others like and don't like, and do things that give them happiness.

When the weather is inclement like last week an email will be sent to you early afternoon to advise you that your child's game has been cancelled. We realise that some of you will not be sitting at the computer at that time, though last week did prove that it was a good way of communication. If you are unsure whether your child's game is on or not due to inclement weather, please first check your email if possible, otherwise feel free to call the School Office on **3643071** before **2:00pm**.
 Many thanks.

Hockey Reports

Senior Hockey Report by Penelope Christoffel

Well, what a difference a new term makes! Te Horo's final game for last term was on the Friday before the holidays and our players were clearly tired after a typically busy term. Despite scoring within the first minute, Te Horo were overwhelmed by Levin East in the first half. In the second half, however, our defence listened to the coach and prevented the opposition scoring again, to keep the tally at 1-4.

Goal scorer: Liam Greening

Player of the Day: Phoebe Ellis for acting on advice and defending superbly

The first two games of this term have been quite another story. On their first day back at school, Te Horo battled hard against Levin North for a 0-0 draw, despite several great attempts on goal by Liam Greening.

Player of the Day: Alex Gray for excellent and sustained passing.

On Monday night, Te Horo were really on form. Having lost to Koputaroa 2-0 last term, Te Horo really picked up their game, with superb passing among the forwards and great mid-field defence by Jack Rider. There were several attempts to score but the winning goal came soon after half time for a 1-0 victory.

Goal scorer: Liam Greening

Player of the Day: Orion Scott for great passing and Determination.

Congratulations to Jack Rider and Liam Greening for their selection to the Kapiti-Horowhenua Under-11 Boys Rep team. They are busy training for their North Island tournament, held in Napier during the October holidays.

Junior Hockey Report by Harry Bird

Term 3 Game 1

On the 25th of July the Te Horo Turtles played against East Yellow at the Levin turf.

It was a good game with near misses from both teams leaving the final score at 2-1 to Te Horo Turtles with Harry Bird scoring both goals. It was also tough as we were bunching a lot and our attack wasn't as good as it could have been.

Tessa McPhee was player of the day.

Students of the Week

Room 1 **Matthew Bird and Taylor Wallace** – for writing

Room 3 **Chayel Elliot-McDonald** – for settling well in Room 3.
