Paddy's Mart update

11TH AUGUST 2017

5 weeks to go...!

Be prepared..

The weather might be a bit unpredictable at the moment but one thing is certain, Paddy's Mart is just around the corner and it's time to start planning. This is our **big** fundraiser for the year.

If you haven't been involved before, we hold Paddy's Mart to help raise funds for those extra necessities.

Playgrounds!!

Our wonderful and much needed playgrounds have been replaced at a total cost of around \$100,000!!!!

We have one invoice left to pay, which is around \$22,000 so we need funds to pay it. We are going to need your help to make that happen please.

How can you help?

Please put your hand up and offer to help!

You could choose to help on the day, or help beforehand ie collecting donated goods from people, fruit, veges for the produce stall, there are many jobs to be filled.

We have stalls that need helpers, lots of helpers, so chat to your social group at school and get involved with a stall.

Read this "weeks requests" and think about any goods you may have because always remember your clutter might just be someone else's treasure, not to mention it will raise valuable funds for our school.

As the event gets closer the number of requests seem to escalate. So let's tell you in advance what we are going to need:

- Sweets will need people to make delicious treats to sell on the day, so dig out your favourite recipe and please offer to help.
- Our popular cake stall will need your scrummy baking to sell on the day.
- We will need goods to sell for lots of stalls; books, bric-a-brac, plants, produce, toys, to mention a few.
- Mystery bottles will also need donations and they are looking for good quality bottles of wine, oil, sauces etc, for their stall, a box is available in the School Office to drop your goods into please.
- Our grocery raffle will need donations to make this happen. If you have goods to donate, please bring them in to the School Office. Every one item makes a difference.
- Mystery jars is a great stall run by Room 6. Filled jars are an easy project to get your little ones involved in, pop into the School Office for some examples.
