

THIS WEEK'S REQUESTS

Helpers, Helpers

Helpers

We still need lots of helpers to make the day happen.

Please let us know how you can help and when

Mystery Jars would love your unique jars, please pop them into the office

Mystery bottles would also love any suitable bottles you can donate towards their stall

Finally, quick fire raffles need your grocery items. Please pop any suitable items into the box in the office.

Thank you for your support...

4 weeks to go...

Almost ready

Our raffle tickets are being finalized today and will be sitting at the printers from Monday. They should be in school bags next Friday. Our raffle prizes this year are absolutely fantastic and we have worked hard to try and create some original and unique prizes. Thank you to everyone that has donated goods, time, effort and their amazing skills, it's hugely appreciated.

We are not quite ready for donated goods yet. Our plea for goods will go out shortly, but please start to have a think about goods you may have to donate.

We are ready though for Mystery Jars. Please pop into the office and have a look at our sample jars. This stall sells out every year and we are hoping to get as many jars as possible. Thank you to everyone who has donated a jar or two so far, it's greatly appreciate. Please keep bringing them in.

Mystery bottles are also ready to start collecting goods. Again we have had some wonderful prizes donate, so thank you for your support. Please keep bringing your bottles of mystery in!

Our grocery raffles are hugely popular on the quick fire raffle, please have a look in your pantry and see what you may have to donate.

Can you help?....

Last year our hugely successful car wash organisers bid farewell to Te Horo school and hello to college days. We are keen to fill their shoes with a willing team of helpers. Could you help? It's a popular stall that raises much needed funds. We can't promise you won't get wet, but we can promise a hot cup of tea and our appreciation.

We have a great range of foods at Paddy's this year, but we need a sit down food stall in the hall. Maybe its as simple as tea and cake? Could you organise this stall for us? We need a willing group of helpers to make this happen, please let us know if that's you.

We are also keen to run a new 'country themed' stall this year. Guess the weight of the sheep. Do you have a particularly woolly sheep that might be considered for this stall? We do have a small fenced off area that can be used, but ideally they need to be on their own. Let us know if you have an extra woolly member of your flock.

Our list of stalls is almost finalized, but we are keen to hear from anyone who has a burning desire to run a stall on the day. We are trying hard to maintain a country feel for our school fair, as this hugely contributes to the success of the day. If you have any ideas for 'country' stalls, please let us know.
